

No matter how many years we have done this list, it is always exciting. The hybridizers are always trying to out-do themselves and this year is no exception. We have 54 new varieties on this list!

Among them are the AARS Award Winners for 2009. There is a Landscape Shrub, 'Carefree Spirit' with exceptional disease-resistance, compact habit, super bloom and glossy foliage. The Floribunda, 'Cinco de Mayo', is an offshoot of 'Julia Child', just as prolific but with an amazing color blend of smokey-lavender and rusty-red-orange. Last, but not least, 'Pink Promise' is a lovely classic Hybrid Tea. A portion of each plant sold will go to the National Breast Cancer Foundation as they search for a cure.

As always, it is our intention to supply all roses listed, however, due to circumstances beyond our control some varieties may not be available. Remember, popular varieties sell out quickly—for best selection come in early.

Varieties in **Bold Type** are 2009 AARS winners • Denotes new introductions for 2009 and new varieties added
